

International Chefs Day Competition

In celebration of International chefs day, we are hosting a chef's competition! Superyacht Content has collaborated with [Maison Del Gusto](#) to give you the chance to win a surprise provisioning box worth €250! The competition is now open and running through our Instagram – [SuperyachtContent](#) until Thanksgiving 2021 (25th November).

The Chef's Competition:

Every great chef has a go-to show-stopper recipe! – A signature dish is a recipe that identifies an individual chef. It should be unique and tingle the taste buds of those who consume it. We can think of it as the culinary equivalent of an artist finding their style or an author finding their voice. So in celebration of all the fantastic yacht chefs, we want you to have the opportunity to show off your signature dish to the world.

All you have to do is head over to our [Instagram](#) – **Like** our chef's competition post, **Mention** a fellow chef in the comments, and **share** an image of your "signature dish". We will randomly select one lucky chef to receive a fantastic Maison Del Guto provisioning box worth €250! May the most impressive plate win!

Who is Maison Del Gusto? —

[Maison Del Gusto](#) is a Monaco-based superyacht provisioner. Maison Del Gusto pre-invest in the chefs they work with because they know they will always return. By pre-stocking special items, they will always have stock for customers throughout the season. On top of this, Maison Del Gusto keeps large amounts of stock to ensure they can always provide the best quality products (even if they have little notice to deliver).
