

# AGents By Catalano On Partnering With World League Of Agents

Throughout this series, we introduce you to [World League of Agents](#) (WLoA) and their members. A non-profit international Network. WLoA brings together yacht agents with long outstanding expertise from across the globe, each committed to providing exceptional service and well-known for their expertise and know-how.

As a consequence of the good service delivered locally, these agents were often requested to give referrals in other locations for agents who provide the same quality of service. It's founders recognised that it was necessary for agents to unite and compromise to a standard service. WLoA members are located in all popular yachting hubs such as Spain, France, Monaco, Italy, Croatia, Turkey, Malta, The UK & Ireland, The US, The Caribbean, and many more.

In this article, we put the spotlight on [AGents by Catalano](#), providing a background on the history of the company and their reasons for uniting with World League of Agents.

## About AGents By Catalano

With various locations throughout the mediterranean, AGents by Catalano are a well established yacht service agency that provide high-end support for Superyachts.

Founded in 1997 as Catalano Shipping Services, the company's focus has always been on quality and efficiency of service. This has enabled them to constantly develop into a multi-service agency that can assist clients across the board.

By combining local knowledge and international expertise with

a sense of hospitality and personality, Catalano Shipping Services continue to look for new ways to make yachting easier for owners and crew and state that: “We enjoy making people happy and pride ourselves on being able to find effective answers and solutions to any request or requirement put to us by our clients”

*“The direction we have given to our company from day one, is intimately linked to the intrinsic values of boating and to a passion for service. What are these core values, the most fundamental to us? To be rigorous, to be a team player and to constantly seek progress, in such a way as to generate satisfaction and to take it as far as possible” – Laurent Certaldi, C.E.O of Catalano Shipping Services*

Speaking of their partnership with World League of Agents, C.E.O Laurent Certaldi states that it stemmed from the desire to ensure that their clients experience the same level of service across the board in all yachting locations:

*“Today, through the “World League of Agents” and the great players which compose it, we are happy to make sure our clients can enjoy the same standards and level of commitment almost anywhere around the globe”*

Their Services include but are not limited to:

- Berthing
- Customs Formalities
- Visa Services & Immigration
- Fiscal Representation
- Provisioning
- Fuel Supply
- Itinerary Planning
- Travel Arrangements
- Logistics/Warehousing
- Transport
