Andrew Winch of Winch Design designed both the exterior and interior of this French ship built by CMN Yacht Division in 2009. In addition to the owner's full-beam panoramic sky lounge suite, Slipstream can accommodate up to 12 guests in six luxurious staterooms, including a VIP suite with a private balcony and ocean views. This three-deck Superyacht is powered by twin Caterpillar diesel engines with a combined power of 2,201 horsepower, allowing her to travel at a top speed of 17 knots. *Slipstream* has a transatlantic range of 5,000 nautical miles when cruising at 11.5 knots.
