

Here's why you need to know about yacht Geosand

Geosand isn't like any other yacht...

I mean, just look at that bronzed beauty! [Baglietto shipyard](#) are the ones to thank for this beautiful vessel. The Italian shipyard says that their seagull logo represents their drive towards the future, and we certainly can argue that the 41.9m Geosand stands out from the crowd.

But she's not brand new...

Who said age mattered anyway? Geosand was designed and built back in 2011. She can accommodate for up to 14 guests, so plenty of space for a good party! The spacious master suite exudes luxury. It offers a walk-in wardrobe, two balconies, and also boasts a stylish en-suite bathroom. And it doesn't stop there. On the lower deck, Geosand has two VIP staterooms, two twin cabins and two beds all with en-suite facilities. Up to eight crew can be onboard to make sure the guests stay is as relaxed and as luxurious as it should be.

It gets better...

Geosand comes complete with external deck areas that offer the perfect outdoor environment for dining and socialising at whatever spot takes your fancy. The bar, the dining table, or the seated areas all are perfect spots to enjoy. There is also an impressive sundeck- of course, this area is perfect for unwinding and soaking up some rays. Guest can enjoy the six-person jacuzzi at their leisure with a drink from the outside

bar and a stunning view. What could be better than that?

And you can enjoy your coffee at a high speed...

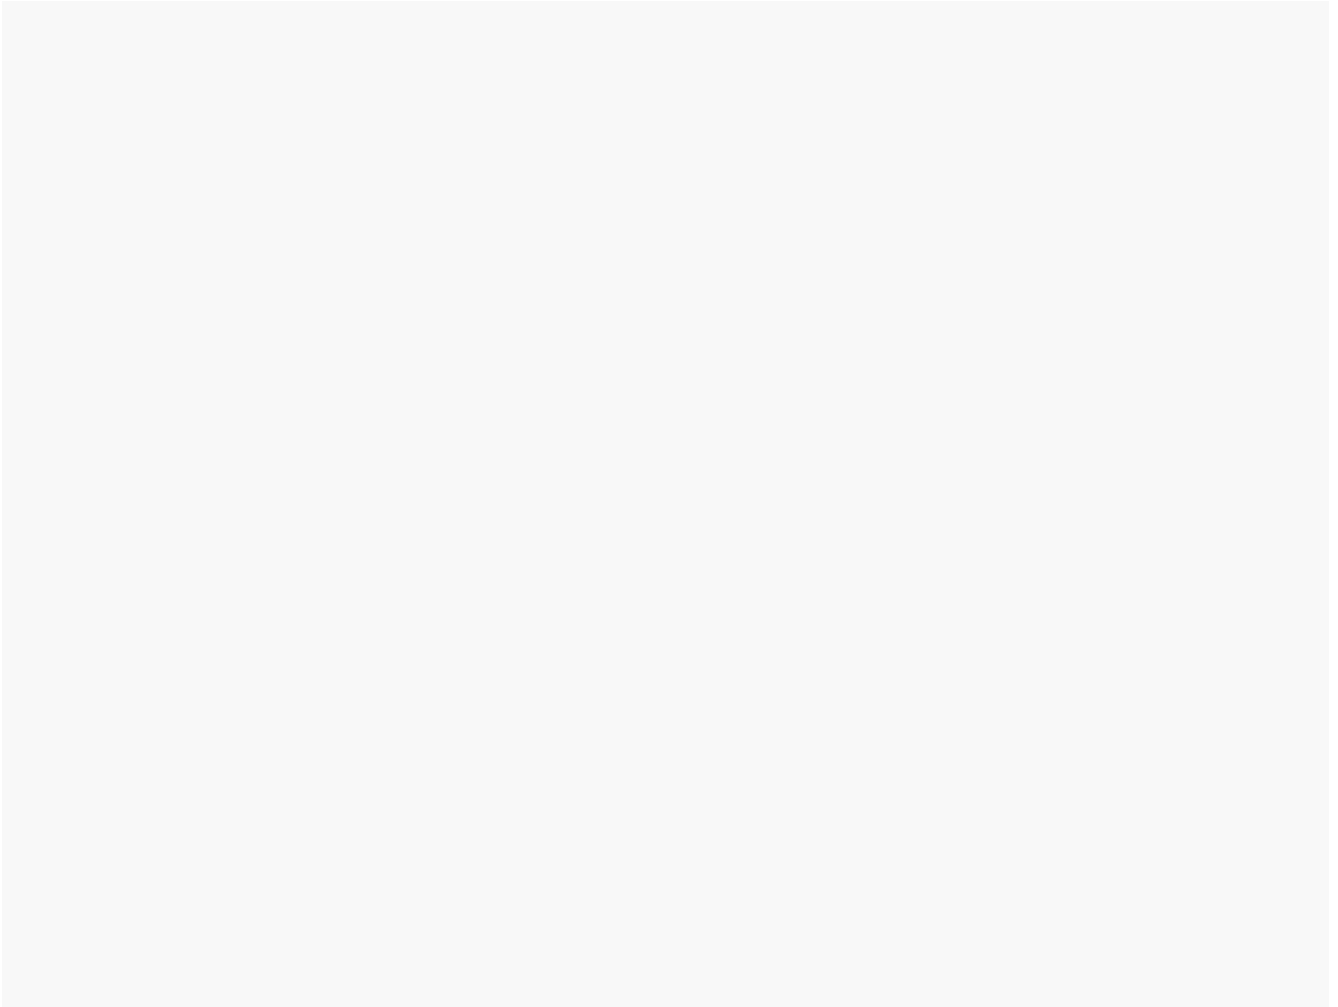

Coffee or Tea? Sweet or Black? It doesn't matter how you prefer it, but where and with whom you enjoy it! @Geosand #superyacht#motoryacht #privateyachts #yachtlife#yachtworld #yachtlifestyle#yachtcharter #superyachtstyle#luxuryyachts #yachtforlife#athensyachts #athensyachtsgreece

The yacht can reach speeds of up to 20 knots, which is just about faster than Usain Bolt can run. Rather impressive, and very convenient for those who enjoy a fast-paced life. Because who doesn't these days? But it's not all about speed. Her bulbous bow allows for smoother cruising whilst zero speed

stabilisers enable this level of comfort to be enhanced further.

Get in touch with [Camper & Nicholsons](#). They have just been appointed the Central Agent for the sale of the 41.9m (137'5) motor yacht Geosand, which is listed with Jeremy Comport.
