Mykonos is a beautiful island in the Aegean Sea, famous for its parties and extravagant lifestyle. This gorgeous Greek island is home to epic beach clubs and restaurants. It boasts natural beauty, picturesque beaches, and quaint Cycladic architecture, making Mykonos the perfect place if guests want an all-rounder holiday where they can make the most of the day and night.

Here we have five reasons to suggest Mykonos to your guests:

## 1. The Anchorages

Mykonos is home to beautiful anchorages. Guests will find pristine beaches, marinas and always be close to seaside restaurants. The crystal-clear water makes these anchorages the perfect spot if guests want an afternoon swim or if they wish to try their hand at water skiing behind the yacht's tender.

One of the most popular anchorages on the South coast is Ornos Bay. Only 3km from Mykonos Town, making it the perfect place for an overnight stay. Elia Bay is perfect for water sports or sunbathing and there is also a taverna ashore that serves the most delicious seafood if that is to your guest's tastes.

## 2. The Beaches

Mykonos is truly a beach paradise island. With the water ranging from crystal clear to the brightest blue, with golden-white sand, there is a new beach for your guests to visit every day. The most famous beaches are Super Paradise, Paradise Beach, Platis Gialos and Lia. These beaches are not only renowned for their beauty and beach clubs but also because they are perfect if guests want to wind or kite surf.

Paradise, Super Paradise and Paraga are the best beaches for a party. Whereas Ornos and Platis Gialos are more low key, perfect if guests are looking a more relaxing day. If guests are after more privacy, visit Lia, as it's more of a hidden beach off the beaten track but is still easy to reach by tender.
