

Great Berth Deals at Porto Montenegro this Summer!

Porto Montenegro's award-winning superyacht marina offering a platinum standard 2021 summer base in the Mediterranean

[Porto Montenegro](#) is proud to announce its plans for the forthcoming summer season. Offering yacht owners, guests and crew a unique, safe environment as a base. Alongside the best facilities in the Eastern Mediterranean.

Award-winning marina

The first to be given platinum-standard status. Has introduced a carefully created summer berthing option as a more flexible and convenient way of supporting boats on their itineraries.

Book for a week, a month or longer. Enjoy the freedom and flexibility of using your designated days whenever and however you wish throughout the season.

This exclusive offer is available [from May 1st until October 31st 2021](#) and is valid for yachts above 30m. Bespoke packages are also available upon request.

The location

Many choose [Porto Montenegro](#) Marina as their central Mediterranean base for the abundance of features and first-class amenities available. Located in one of the world's most idyllic nautical playgrounds. Boka Bay, home to the marina, is a sunken canyon and the largest natural harbour in the eastern Med. It also benefits from being just a five-minute drive from Tivat International Airport.

Montenegro's outside EU status, yacht-friendly legislation, and Porto Montenegro's state-of-the-art marina facilities all

serve to make it an attractive and financially advantageous destination to base yachts this summer.

Benefits

[Porto Montenegro](#)'s berthing options can be personalised to suit the requirements of owners, captains and crew. They also offer the following benefits:

- Tax-free fuel
- Access to a full-serviced marina
- Complimentary black and grey water disposal
- Onsite helipad
- Chandlery and provisioning
- Experienced yachting agents
- High-end shops
- Fine-dining opportunities

Marina Director, Tony Browne says:

"We are very excited to be leading the way for luxury Superyacht marinas with this new style of berthing for all yachts above 30m in size. As a destination and a base, Porto Montenegro offers huge benefits that exceed most yachting requirements. We are looking forward to a safe and successful summer and to welcoming both new and returning clients."

For crew, berthing a yacht at [Porto Montenegro](#) during summer comes with the added advantage of being a part of the Crew Club, a unique marina community that brings crew and marina members together through fun and active events – all within a Covid-secure environment.

From sports tournaments to wine tasting, quiz nights and HIIT training, each gathering is another chance to bond with your crewmates but also to meet others living and working in Porto Montenegro – providing a social scene for crew in between charters. All crew from the boats coming in and staying at the marina are eligible for the free membership which comes with

various discounts across the Porto Montenegro village, entrances to all Crew Club events and access to the Warsash Superyacht Academy Porto Montenegro programme.
