Coming on land for a few hours?

2021 was a jam-packed year for Gibraltar. They waved hello and goodbye to some of the largest and most recognised Superyachts; From Nord to Solaris, to Luna. With crew occasionally getting the chance to come ashore for a few hours, it's worth knowing the best places to go. We've put together a list of the best bars and restaurants in Gibraltar for you to visit to make your short stay worthwhile.

Situated in Queensway overlooking the marina, [Rendezvous](#) is not one to skip. Everything they plate up is homemade, from the bread to the smoked olives. And having been here myself I can tell you that, to this date, it's the best meal that I'm yet to have had.

La Sala Restaurant and Bar

Located inside the Sunborn Yacht Hotel, [La Sala](#) is a 5* restaurant offering a lunch menu but also a varied a la carte menu featuring a range of International and Spanish favourites. If you're looking to have dinner with a view, I'd recommend their alfresco option on their back terrace.
