## Five Tips For Starting To Invest In Property

1. **Start early:** By the end of your 2nd year of yachting, you should be looking to buy your first investment property.
2. **Consider seeking advice:** Getting professional advice will save you lots of time and money in the long run. [We](#) are here to help.
3. **Be realistic:** Nobody spends £400,000 on a rental property as it will make less money. £130,000 to £165,000 is plenty.
4. **Try to stay objective:** Remember, this is an investment. You are never going to live there, so you don't need to "love it".
5. **Don't delay:** It's easy to make excuses for not doing things. Don't do this with property investment. The

longer you wait, the less money you make.
